WORLD'S FAIR

THE WORLD'S COLUMBIAN EXPOSITION has been a grand creation, a realization of dreams and a finan cial success. This Exposition might well be called the wonder of the Nineteenth Century. This triumph of American genius will go marching down history with stately stride, challenging the coming century to produce its duplicate.

The magnificent palaces of archictural skill, erected on the site of Jackson Park and Lake Michigan, have elicited the unstinted admiration, alike of artist and artison, the millionaire and the laborer, will soon be rudely demolished and removed from view.

Every patriotic American should have and possess some souvenier of this, the Greatest of Expositions, and with that view in mind there has just been issued, under the auspices of the "World's Fair Committee" one of the finest works of art, entitled the

" Memorial Volume."

PAC SIMILE OF OFFICIAL LETTER.

From these photographs THE HERALD'S SOUVINERS are reproduced. The set completely illustrates all the buildings and the interior views of the large ones. It photographs the finest views of the lagoons, wooded islands and art works. It will take you to the Midway Plaisance and show you the Ferris Wheel, the Street of Cairo, the dancing girls, the South-Sea-Islanders, Soudanese, Villages, etc. There are

Only Five

Parts and you don't need to spend to cents a week for the next sixteen or thirty-two weeks to get the Fair. We furnish more than 130 photographs for 50 cents.

Part No. 1 will go on sale this Wednesday morning. Cut the coupon from page 4.
